

Applications invited to join our Family Team

Due to a very high volume of sustained work Chambers' Family Team invites applications for tenancy by experienced practitioners of over seven years' call.

Applicants with less than seven years' call but who have built substantial practices would also be considered.

15 Winckley Square has a Family Team of 42 barristers with strength at all levels.

Our barristers have high-quality practices in public and private children law as well as financial remedy work.

Our public law work includes working for several local authorities in the area.

The Family Team has dedicated clerking and billing staff.

Chambers also enjoys extremely competitive expenses.

There is no mandatory requirement for tenants to buy in to Chambers.

15 Winckley Square has just been awarded its third Wellbeing Certificate by the Bar Council.

Applications, which will be treated in the strictest of confidence, should be addressed to Miss Stephanie Perplus at:

family@15wsq.co.uk.
